

# INTRODUCING THE STONE HEDGE SPA STEP

## Features

- Maintenance Free
- UV Protectant
- Slip resistant texture
- Easy installation

## Choice of Colors

Sandstone / Sierra Red / Granite Gray / Coastal Gray

Dimensions: 54" L x 26" W x 18" H

Cylinders: 9" ID x 10" Deep

Storage Compartment: 25" L x 10" W x 12" Deep

The Stone Hedge was designed with functional beauty in mind. The appearance of a natural stone finish provides a slip resistant yet elegant entrance to your spa. The dry storage compartment under the top step provides a spacious area to store your chemicals, towels, or anything you desire. The dual cylinders can be used as planters or as a wine bucket. Whatever you choose, you now have the perfect setting to relax and enjoy your spa.
